# Aurora Smart Ring sizer

**Print at 100% ("Actual size"). Do not use "Fit to page".**

## 1. Check the print

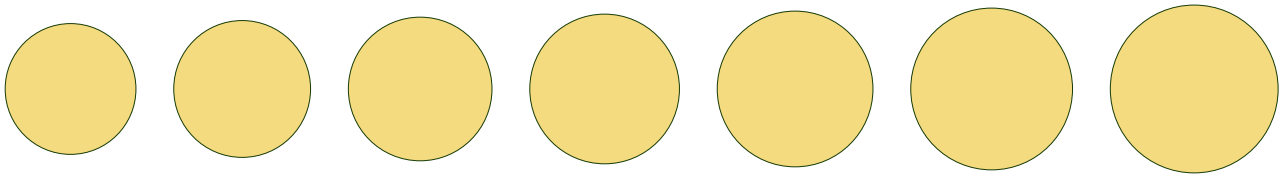
Lay a bank card on the box. It should cover the box exactly.
Too big or too small? Print again at 100%.

Bank card goes here

No card? With a ruler, this line is exactly 2 inches (50.8 mm).

## 2. Have a ring that fits? Use the circles

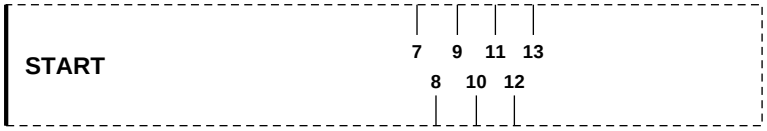
Lay your ring on the circles. Your size is the circle that just fills the inside of the ring.



| 7 | 8 | 9 | 10 | 11 | 12 | 13 |
|---|---|---|---|---|---|---|
| 17.3 mm | 18.1 mm | 19.0 mm | 19.8 mm | 20.6 mm | 21.4 mm | 22.2 mm |

## 3. No ring? Use the strip

Cut out the strip. Wrap it snug around the finger you will wear the ring on.
Your size is the mark the START edge reaches. It has to slide over your knuckle.



**Between two sizes? Go up.**

**Ordered the wrong size? Exchanges are $25.**
